

INSANE MAN IN BATTLE WITH 4 LOCAL OFFICERS

Leo Freydel Puts Up Desperate Fight When Arrested On Sunday

INSANITY CHARGE FILED AGAINST HIM

Divorce Is Granted By Judge Blair; Motion Filed In A Case In Court

It required the combined efforts of Sheriff Lytle, Deputy Sheriff Walker and Patrolmen McElroy and French to arrest Leo Freydel, aged 55, at 7:30 Sunday morning.

An affidavit in lunacy was filed against the man in probate court by Sheriff Lytle Monday morning.

Freydel started to walk to Mansfield early Sunday morning. He reached a point on the Mansfield road, north of the city, where he started to throw stones at houses and in other ways annoy the residents. Sheriff Lytle was notified. Anticipating trouble in making the arrest, the sheriff took Deputy Walker and the police officers with him.

Freydel put up a desperate fight against the officers and refused to enter the automobile. He was finally overpowered, placed in an automobile and brought to the city. He was locked up in a cell at the county jail. Freydel has refused to eat a bite of food since he was locked up in jail.

On Monday morning a lunacy inquest was conducted at the county jail. The medical examination was made by Dr. James F. Lee and Dr. John Claypool. The man was adjudged insane and was ordered committed to the state hospital, Columbus.

NORTHERN KNOX CO. HIT BY BIG STORM

Small Sized Cloudburst Occurs Near Ankenytown Sunday Afternoon

Ankenytown and the vicinity just south of that village was visited by a small sized cloudburst Sunday evening about six o'clock. Considerable damage was done to crops, the roads and telephone lines. South of Ankenytown the road was washed out for several feet and two telephone poles were torn down as a result of the wind which accompanied the rain-storm.

Although a heavy rain fell throughout the Northern Knox county, Mt. Vernon did not receive a drop.

TUESDAY LAST DAY ADJUTANT'S ON DUTY

Ex-Service Men Should Present To Officer Claims Not Later Than Tomorrow

Adjutant Albert Devault will complete his work at the C. of C. office Tuesday afternoon. Today and tomorrow present the last opportunity for former service men to engage his assistance in making application for Victory medals.

Any others having claims they desire to have made out should see Adjutant Devault not later than Tuesday.

Members of Dan C. Stone, Jr., post of the American Legion gave 22 ex-service men, patients at the Ohio State Sanatorium the pleasure of an automobile ride on Sunday afternoon. Automobiles were provided by the post and the boys taken to Howard, Danville and out towards the end of the Columbus road returning to the Sanatorium through Mt. Vernon. It is planned to give the boys the pleasure of enjoying these trips at least twice a month during the season.

GET ONE MEMBER BEFORE JULY 4TH

Is Slogan Of Every Member of Dan C. Stone, Jr., Post of The American Legion

Every member of the Dan C. Stone Jr. post, The American Legion, is urged to get at least one member on or before Monday, July 4th.

There are many ex-service men in the county who are not members of the Legion and in order that the members carry on their part of the work the local post is joining in the nationwide campaign to increase its membership.

The local post has taken care of many cases for disabled men and men who had other claims to be looked after and in all cases very quick action has been given. The American Legion has been the central figure in boosting everything that will be beneficial to the ex-service man and in order that the soldier legislation may get the proper support, it is entirely necessary that every soldier, sailor and marine get in and push.

Whether you are a Legion member or not, come to the meeting at the Chamber of Commerce, Tuesday evening at 8 o'clock. Maybe there is something the members can do for you.

DAYS LONG GONE RECALLED BY AN OLD NEWSPAPER

Copy of Democratic Banner Printed January 8, 1840, Owned By M. Nixon

NO LOCAL NEWS IS PRINTED IN THE PAPER

President's Message Issued December 2, 1839, Occupies Nearly 13 Columns

Mr. Michael Nixon is the owner of a rare copy of the Mt. Vernon Democratic Banner published January 8, 1840. He has kindly given The Banner permission to examine and give its readers of today a description of that paper of the early days of Mt. Vernon.

The Democratic Banner was a seven-column, four-page paper published by Edmund J. Ellis. The printing office was located in "the basement story of the court house." The price of subscription was \$2.50 a year when paid in advance or \$3.00 "on credit." The copy owned by Mr. Nixon was of the 35th issue of Volume 3.

A reader of today would be struck by the almost complete absence of "local" news, the sole item of that character being an editorial announcement of a change of the date of publication from Saturday to Wednesday because of an "alteration of the Chesterville mail."

Seven columns of the first page and nearly six of the second are devoted to a report of the annual message to Congress of President Martin Van Buren dated December 2, 1839. A column is devoted to brief items of foreign news six days late from England. One of these is mention of the illness of the Duke of Wellington which began November 18. His early death was anticipated.

Another mentioned plan being made by Charles Green to cross the Atlantic from New York to England in a "balloon on a new principle."

The last page is devoted to advertisements of a style and character vastly different from that common today.

Among the announcements is one making public of the formation of a partnership in the law by Columbus Delano and Elliott C. Vore. Their office was on Main street, "up stairs immediately north of J. W. Miller & Co.'s store."

Another interesting announcement was a warning given by Bigelow, Pierce Wickes, of Troy, N. Y., against vending or using a certain stove on which they claimed to hold a patent unless the stove had been sold by French & Plamer of Mt. Vernon.

This was followed immediately by another by Lewis Cooper who announces he is making stoves at the foundry of C. & E. Cooper and will "guarantee the right to use them, and will give any security for the same if required, notwithstanding the above threats."

Among the Mt. Vernon merchants of that day appear to have been Wadsworth & Raymond, Freeman & Turner, G. A. Jones & Co., D. Pitwin, M. Houghton, James Hutchinson, C. H. & R. Elliott, W. H. Whitton.

It appears that the publisher of The Banner of that day was accustomed to take wood on subscription account, as the following notice indicates:

LAST CALL—Those who have promised to pay their subscriptions in Wood, are requested to haul it immediately, we are in want. Those who do not bring wood before the first day of January next, must not think hard if we exact the money."

The Mt. Vernon market as corrected by E. Winne is given. It gives the following quotations: Wheat 50c per bu.; corn 22c; rye 46c; oats 16 2-3; salt \$2.50 per bbl.; flour \$3.00 to \$3.50 per bbl.; whiskey 31c per gal.; coffee 18c to 20c per lb.; sugar 10c to 12c; flaxseed 75c per bu.; butter 10c to 12c per lb.; cheese 8c to 10c per lb.; beef 3c to 4c; mutton 3c to 4c; pork \$3.50 to \$4.00 per cwt.; eggs 10c to 12c per dozen; potatoes 25c to 31c per bu.; turnips 25c to 31c per bu.; apples dried \$1.25 to \$1.50 per bu.; apples green, 37c to 50c per bu.; cabbage 4c to 5c per head.

Postmaster Isaac Hadley prints a list of 241 letters uncalled for at his office and advising the owners they will be sent to the Dead Letter office if not called for before April 1. In this list were the names of Dr. William Hays, Rev. Mr. Myers, Rev. James Scott, Elder James Smith, Anthony Banning, James Colville, Camillo Ewalt, Laban Headington, and Preserve Smith. Evidently the people of that day were not particularly

interested in correspondence. William Beam was the sheriff of Knox county, Isaac Hadley county clerk, and S. W. Farquhar county treasurer.

Whom Does Advertising Pay?

ADVERTISING FIRST OF ALL PAYS YOU. There are many, many items bound up in your daily life — that go to make your way more comfortable, safe and convenient — which advertising has made easily available at moderate cost.

Because thousands on thousands of housewives ask for a certain article by the same name, which they have read in the same advertisements, it is possible for the advertiser to sell this item at a minimum of effort.

It is therefore possible to distribute it at a saving in which the buyer shares with the advertiser.

Many things you now enjoy as a matter of course would never have been available for your comfort at reasonable prices had not advertising made it possible to distribute them economically.

When you figure the number of these items in your daily life built by advertising, you can appreciate that advertising does pay YOU.

In every home there should be a Bank Book of this Good Bank for every member of the family.
